### Individuals

### Make contributions and earn leadership positions

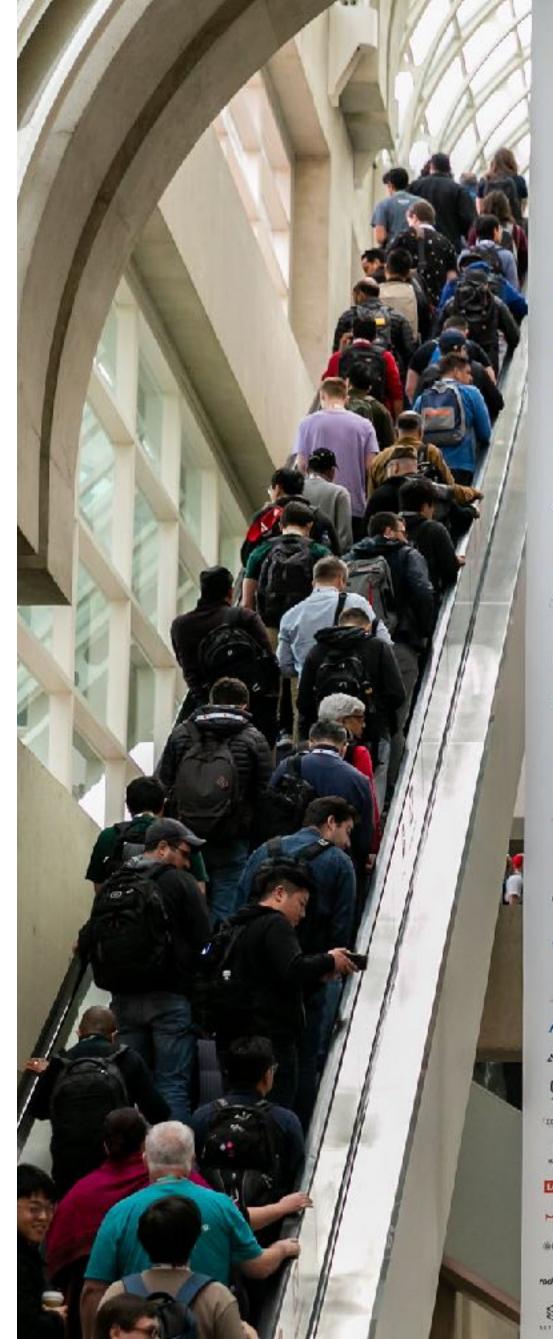

Image by the CNCF CC BY-NC 2.0

©2022 VMware, Inc.

#### Companies

### Employees contribute as individuals, but on their company's behalf

SENTRY SOM

# Community = People Community comes before company or individual needs

©2022 VMware, Inc.

### Your organization needs to balance individual, company, and community needs

# Contribution Strategy and Plans

©2022 VMware, Inc.

#### Photo by Randy Fath on Unsplash

### Contribution Strategy and Plans

### Align with business goals to highlight importance and impact

©2022 VMware, Inc.

#### Photo by Anastasia Petrova on Unsplash

#### Which Projects?

### Focus on strategic projects with the biggest impact to your company

©2022 VMware, Inc.

#### Photo by Elena Popova on Unsplash

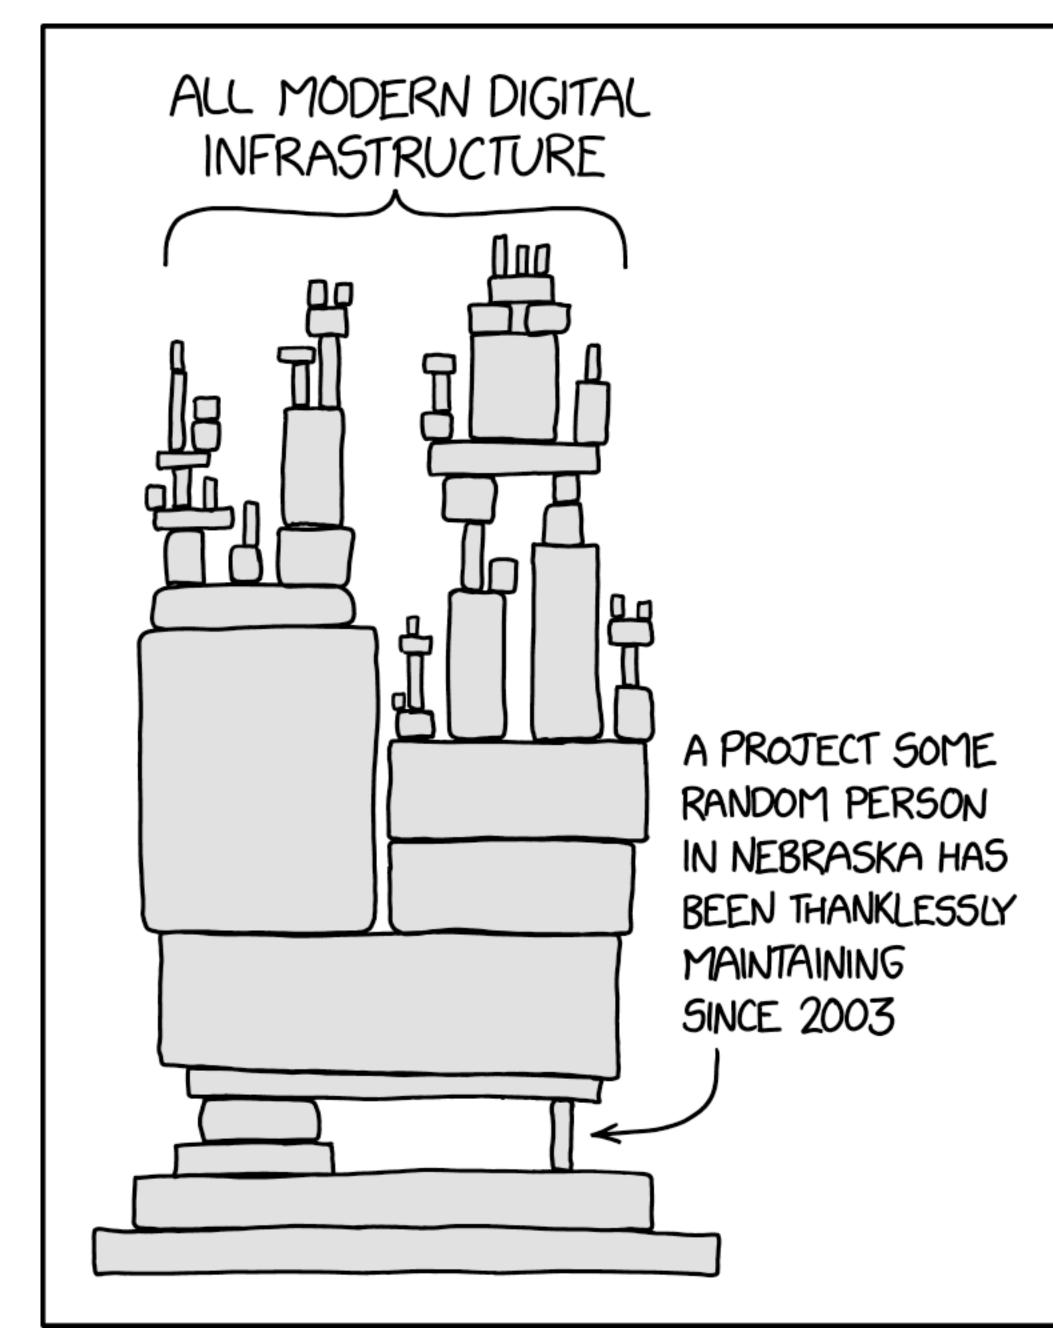

#### **Risk and Strategy**

### Strategies should take both project and supply chain risks into account

12

### Build / Contribute

Think strategically about decisions to build vs. contribute

#### Staffing

#### Find or hire people who want to contribute

#### Guidelines

#### Guidelines and processes should make it easy to contribute

#### Measure Success

### Define success criteria and data required to measure it

https://chaoss.community

# Sustaining Long-Term Strategic Contributions in Open Source

#### Photo by <u>Eilis Garvey</u> on <u>Unsplash</u>

#### Upstream Your Patches

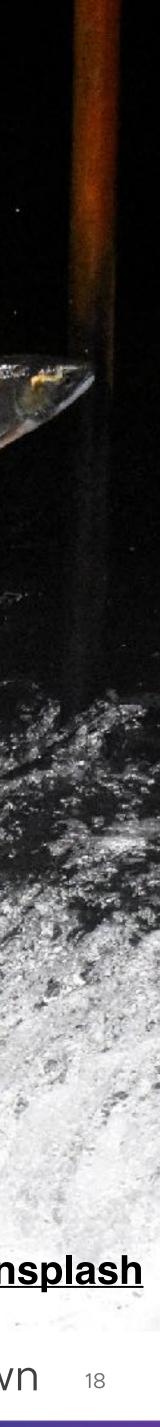

### Long-term benefits for your company and the community

©2022 VMware, Inc.

Photo by Drew Farwell on Unsplash

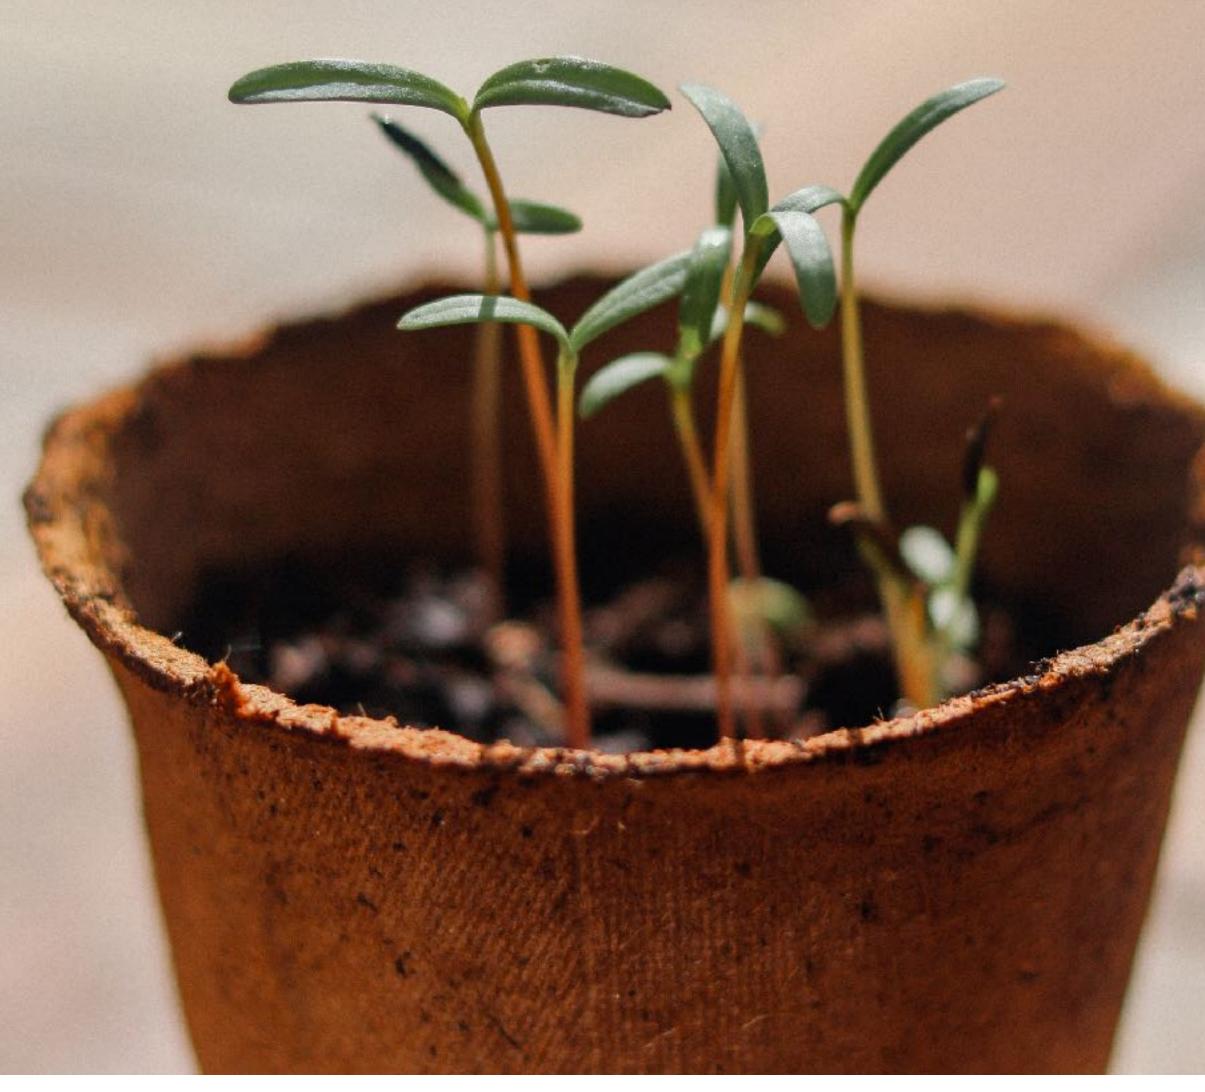

# Work with the Community

Discuss changes first and break them into smaller contributions

©2022 VMware, Inc.

#### Photo by Christine on Unsplash

#### Leadership

### Encourage your employees to move into leadership positions within their communities

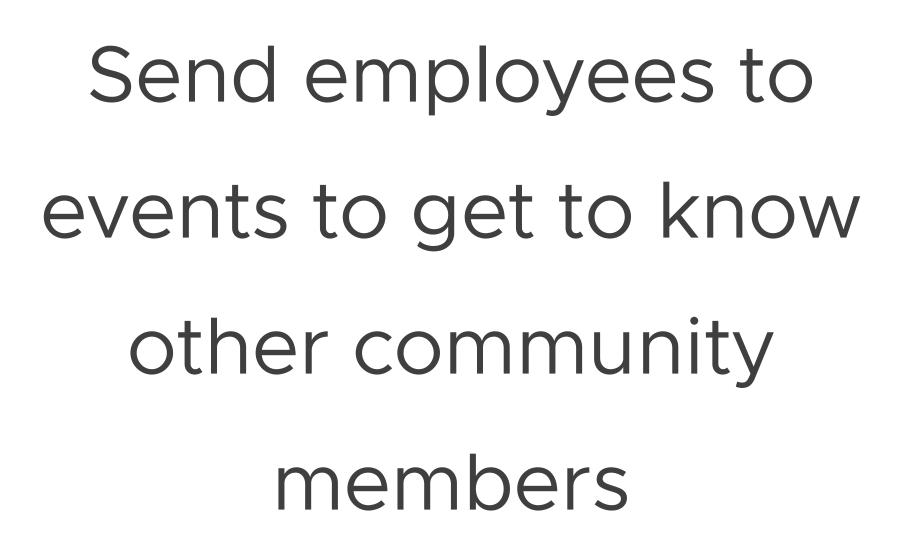

©2022 VMware, Inc.

Photo by Mathias Jensen on Unsplash

#### Relationships

#### Maintenance Expectations

### Don't expect someone else to maintain a large contribution

#### Open Sourcing Your Software

### Open source projects for the right reasons
